III. Review of Minutes from the 2022 Annual Meeting

Secretary Jesse Zamora read comments made from the floor during the previous Annual Meeting. Highlights were: Recommendations to increase requirements to be on the State Team and enhance State Team awards. The Board did enhance the awards presented to this year's State Team recipients and implemented additional qualifications to be on the 2023 State Team. President Greg Holden and Secretary Jesse Zamora provided an overview of the new requirements to the members. The Board previously approved the Minutes from the 2022 Annual Meeting on May 7, 2022 per Roberts Rules of Order. The Minutes were posted on the bulletin board.

IV. Financial Report

Treasurer Steve Bell presented the financial report posted on the bulletin board.

Costs for three major events were:

- 2022 State Shoot - \$52,120
- 2022 Hall of Fame - \$ 6,699
- 2022 Western Zone - \$ 2,763
- Total cost: \$61,582
- ASTA bank balance as of February 28, 2023 - \$120k
- The 2022 calendar promotion netted \$13k in profit for the ASTA.

Steve asked if there were any questions from the floor.

- Jim Copsy asked if we were going to do another calendar promotion. Steve stated we were looking at other options to raise money like a gun raffle that some other clubs do.
- Mike Petrisko suggested the ASTA raise the daily fees from \$2.00 to \$3.00 to help offset some of the rising costs to conduct our shoots. Doug Sims stated the bank balance at one time was around \$170k and previously did not support raising fees until the money was spent on shooters and lowered down to where it is today. Now that we worked it down to an acceptable level, it is time to consider raising the daily fees.

Financial Report (continued)

- The Board was receptive to the recommendation and stated it will discuss raising the daily fees at the next board meeting. If approved, the daily fee increase would take effect September 1, 2023.
- Secretary Jesse Zamora motioned to approve the financial report, second by Chere! McCracken and passed.
