III. Review and Approval of Minutes from Previous Meeting

Secretary Walter Allen read the minutes from the last meeting. David Landwerlen and Mike Petrisko pointed out several omissions in the minutes from both April 25 and May 13 meetings and asked for them to be corrected before being approved ***and, in the future***, before being posted on the website. Walter agreed to update both minutes to be reviewed for approval at the next board meeting. The corrected minutes will be re-posted on the website once approved.

IV. Financial Report

Treasurer Mike Petrisko read the current Financial Report. Mike has spent many, many hours organizing and updating the ASTA account records to bring them current and correct – not an easy feat. The Board was very appreciative of Mike's efforts and congratulated Mike on doing such a great job so quickly! Mike also set up ASTA with an account on the MoneyMinder Financial Management System and input all ASTA financial records into the system. MoneyMinder will be used going forward for all ASTA financial business transactions and reporting. Logins were given to all Board Members with Read-Only access allowing any Board Member to review the financial information on demand. Mike also provided a written copy of the current Income Statement as of 6/5/2026 which showed a bank balance of

$104,084.75. A motion was made by Max Peevyhouse to approve the new accounting system and the Financial Report. David Landwerlen seconded the motion and the new system and Financial Report were unanimously approved (7-0 with Mike Petrisko abstaining).

CGTS will continue to host ATA shoots including the Monday Big 50's. The Board thanked Tiger for all of her contributions to the sport of trapshooting over the years.
